

We would like to draw your attention to Exchange and Depository circular in respect of Mandatory Updation of Certain Attributes with KYC of Clients and also linking the AADHAR with PAN.

This is with regard to AADHAR seeding with PAN and informing its extension up to June 30, 2023. It was informed that w.e.f. July 1, 2023, PANs not seeded with AADHAR will be considered as invalid for the purpose of trading in the Securities Market.

In continuation of the above notices and in accordance with the guidelines issued by the Government, all Clients are once again advised to comply with the requirement of linking the AADHAR with PAN. Further, all clients having open positions; be informed on the aforesaid timelines. The PANs not seeded with AADHAR by the due date shall be considered as invalid and not permitted to trade w.e.f July 1, 2023.

Kindly update the following KYC attributes immediately:
